

REMARKS

The claims are 1-15. No new matter is introduced herein.

The Office Action indicates that the application contains claims directed to the following patentably distinct species of the claimed invention:

- A. Figs 1-6.
- B. Figs 7-8.
- C. Figs 9-10.

The Office Action indicates that Applicant is required under 35 USC §121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable.

In addition, the Office Action indicates that Applicant is advised that the reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added.

In response to the present election/restriction requirement, Applicant hereby elects species A, comprising Figs. 1-6. It is respectfully submitted that claims 1-4 as originally filed are readable upon Figs. 1-6.

Claims 5-15 directed to the non-elected species B comprising Figs. 7-8 and C comprising Figs. 9-10 have been retained in the present application for possible consideration later upon the allowance of a generic claim.
